Active Project Settings

The Active Project Settings dialog will help manage multiple Surfaces, Geometry Projects, Horizontals, Verticals, and Superelevations. A change to any of the active project settings dialog is effective immediately, and other commands automatically become aware of the change.

Load it from the Application Add-In dialog:

1. **Tools > Application Add-Ins...**
2. Check **ON** Active Project Settings Add-In.
3. You will now find it under **Tools > Active Project Settings...**

[Robert Mecham](#) is a partner with the firm [The Envision Group](#) in Madison, WI. The firm specializes in MicroStation and the InRoads Suite of products. In addition to providing training for MicroStation & InRoads, they offer visualization services and consulting for clients throughout the United States.
